HOMELY FLOORING

NATURAL OAK

With darker honey tones and durability, our natural oak flooring is a great hybrid flooring option if you're looking to lighten any space. Want to bring more light into your client's home? Our natural oak flooring may be just what you're after.

ASH OAK

Our ash oak flooring is the lightest grey flooring option we have in our range. Slightly smoky in colour, and durable underfoot, this is a popular choice for many modern homes considering our hybrid options.
